ABOUT PLAY

'आषाढ का एक दिन' हिंदी के युगान्तरकारी नाटककारों में से एक मोहन राकेश जी की एक कृति है। वास्तव में नाटक कालिदास की कहानी है ही नहीं। यह कहानी है मल्लिका की। कालिदास के प्रति उसके प्रेम के सारे संवेग उसकी भावनाओं तक ही सीमित थे या कहो सीमित रहे। इसके साथ ही समकालीन अनुभव और भी कई आयाम इस नाटक में हैं, जो उसे एकाधिक स्तर पर सार्थक और रोचक बनाते हैं।

Ashadh Ka Ek Din is a play by Mohan Rakesh that explores the emotional and psychological effects of unrequited love, including sadness, loneliness, anger, despair, guilt, and shame. It also explores the tension between art and politics, and the relationship between an artist and their muse. Mohan Rakesh have written this play with such pure emotions and involvement that Kalidas and his beloved Mallika have made a special place in our heart and memory. This play turns out to be a milestone in Hindi literature and works as a bridge between Hindi and Sanskrit literature.
